DEVI JAGS

When you are going from mentee to mentor, I don't think you ever feel entirely ready. If you have respect for that profession, you never feel entirely ready.

The mentee/mentor relationship is a bond that, if nourished well, will lead to opportunities for both the mentee and mentor.

DEVIJAGS

**"NEVER GIVE UP

THINGS COMING

FOR THEM."**

DEVIJAGS

**THANK YOU
FOR PLEDGING
YOUR PERIOD**

Devi is pledging to end the stigma around periods to start a healthy conversation around female hygiene and keep girls in school.

Will **YOU** join the movement?

**DEVI
JAGS**

"Being fearless and simply not giving an F* about if a person likes you or not, is the right attitude for gaining the respect of a mentor.**"**

**DEVI
JAGS**

One thing I have learned in my short period of being a career-driven woman, it is that mentorship is highly valuable.
